

TeamNutrition

Job title - Registered Dietitian

TeamNutrition offers private nutrition counseling services. Working with us includes the opportunity to work with a client-patient base with diversified needs and includes work locations within medical clinics, universities, sports centers, and multidisciplinary clinics. Our services are provided across Canada in offices and online, which provides the added benefit of a flexible work schedule.

We are looking for candidates who strive for excellence, that love being challenged by their clients-patients, and that are looking to work for a rapidly growing business with long-term career opportunities.

*Join a caring professional network

*Access to a full professional support and training program

*Above market work conditions, which include but is not limited to performance bonuses, retirement savings matching, group insurance plan, and more.

*Career advancement opportunities that combine flexibility and stability, encouraging ambition and work-life balance.
